

Updated June 2019

1. In several states of Mexico, same-sex couples need to obtain an amparo - which cannot be denied by the courts - before they can wed.
2. The U.K. has marriage equality with the exception of Northern Ireland.
3. Some of the countries above have territories and entities that do not have marriage equality.

■ **MARRIAGE EQUALITY LEGAL (28 COUNTRIES):** Argentina, Australia, Austria, Belgium, Brazil, Canada, Colombia, Denmark, Ecuador, Finland, France, Germany, Iceland, Ireland, Luxembourg, Malta, Mexico, the Netherlands, New Zealand, Norway, Portugal, Spain, South Africa, Sweden, Taiwan, the United Kingdom, the United States of America and Uruguay.
